# ProHorseGear

Professional trainers preach the virtues of a **Premium yachting** rope made of 100% polyester. A heavy, densely braided rope has more “feel” than lighter ropes. The specially designed rope will assist you in transmitting command signals to your horse.

Our rope is **Superior to other Yachting ropes**  
 Slightly **larger** than standard 1/2” yachting ropes  
 Braided with a **finer weave**, 24 tripled yarns  
 Proper twist for a **balanced heavy rope**  
 Professional **Marine splices**, machine sewn  
 Special **Weighted tail tuck back splices**

OUR WIDE RANGE OF **ROPE MAKING MACHINES** ENABLE US TO PRODUCE  
 MANY UNIQUE ITEMS FOR EQUINE USE

# Western Hollow Flat Braided Products

This product line features a special rope that is soft to the hand, very flexible, and a **wide range of colors** to choose from. The width of the rope is **nearly 3/4" wide** and 1/4" thick, this combined with our 16 strand **diamond weave** looks and feels great. The product range make it possible to have complete sets of tack in **matching color combinations** from spur straps, headstalls, reins, and breast collars all **very economical**.
